# FROM WAITER TO ENTREPRENEUR THE INCREDIBLE JOURNEY....

---

The journey to success is all about optimism and perseverance. To make it big in life, it takes enduring hardships. Let's look into the journey of a man who has reached the heights of success from rock bottom through sheer hard work and persistence. The man is Sachin Bamgude who rose from being a waiter to becoming a successful entrepreneur. He is the Founder Chairman and Managing Director of MYSP Enterprises. His entrepreneurial vision took off in 2008 when he started the home loans business in Pune. Coming from the small village of Tekpavale near Pune, he started from scratch, doing odd jobs that over time brought him in contact with those in positions of authority in various nationalized banks. Through them, he acquired the knowledge, experience, and confidence to start his own business in loan brokerage. His enterprise majorly operates in the areas of housing loans, lease rental discounting, loans against property, commercial finance, venture capital finance, and construction finance. In his words, he quotes, "What started as a dream is now a reality. I believe that I have always respected the work I have done in my life and now I am getting the fruits of all my hard work. To be honest, no work is inferior in front of my eyes and every work has been a learning experience for me".

As of today, his company is spread across the country with operations in Mumbai, Pune, Nashik, Hyderabad, Bangalore, Ahmedabad, Surat, and Indore. Bhopal, Jaipur, Kolhapur, Goa, and many other locations. The secret of his success is customer relations. Customer satisfaction and feedback are the key components that have paved the way to the success of his enterprise and he believes in his customers and clients being the almighty. He adds, "It is because of their trust, that I am employed and I need to return them the best services." With an ever-sharp business sense, Sachin Bamgude is appropriately referred to as the expert mastermind in his professional circles who has excelled in the housing loan business countrywide.

## • SADATARA FOUNDATION (NGO)

APNARUPEE takes pride in being a responsible corporate citizen. Its founding entrepreneur, Sachin Bamgude has committed himself to reaching out to the needy of his hometown Tekpole near Pune, Maharashtra. The Nisarga cyclone brought destruction affecting many towns and villages including Tekpole. Many became homeless which prompted Sachin to provide the much needed assistance to the people worst affected. The 'Sadatara' Foundation, an NGO founded by him, provided them with the badly needed essentials as well as supported them financially.

His foundation committed itself to taking up the initiative of helping those who have lost everything after the cyclone that has severely hit parts of the state of Maharashtra.

In 2019 the Sadatara Foundation contributed to the floods in Maharashtra where three districts including Kolhapur, Satara, and Sangli were badly affected. To help people, his NGO has brought a substantial change among everyone. Sachin Bamgude who himself comes from a middle-class background has said, "I came from a middle-class family and I understand what it is like when a financial crisis hits. The underprivileged are the worst affected. At such times. it becomes my duty to take the lead in helping people affected by such disasters. After all, humanity comes first."

### Sachin Bamgude's Incredible Journey From A Waiter To An Entrepreneur And How He Made It Big In The Housing Loan Business

It is because of their trust, I am employed and I need to return them the best services said Sachin By IBT Entertainment Desk | January 29, 2020 16:23 IST

Success is all about having a positive mindset and working rigorously towards your goals. To achieve big in life, one must go through a lot of hardships. We introduce you to the man who has reached the top from the bottom by his sheer hard work and persistence. Sachin Bamgude began his journey as a waiter and today he is a successful entrepreneur. Chairman and managing director of S.P Enterprises, his fortunes changed in 2008 when he established the home loans company in Pune. Coming from a small village named Tepakare near Pune, he started from scratch which has made him a successful entrepreneur today.

The young man who never shied away from doing odd jobs started associating with various nationalized banks after which he gained experience to start his own firm. His company majority operates in the areas of housing loan, lease rental discounting, loan against property, commercial finance, venture capital finance and construction finance. "What started as a dream is now a reality."

I believe that I have always respected the work I have done in my life and now I am getting the fruits of all my hard work. To be honest, no work is inferior in front of my eyes and every work has been a learning experience for me," said Sachin. As of today, his company is spread in different cities of India including Mumbai, Pune, Nashik, Hyderabad, Bangalore, Ahmedabad, Surat, Indore, Bhopal, Jaipur, Kolhapur, Goa and many other places. The mantra behind his success is customer satisfaction and feedback. He states that his customers and clients are no less than God for him. "It is because of their trust, I am employed and I need to return them the best services," he added. With a sharp business mind, Sachin Bamgude is rightly called as the maverick mind and an expert who has excelled in the housing loan business all over the country. Taking a step further in his work, his company has a website called ApnaRupee.com which has its own app by the same name. While the website gives all the information about different kinds of loans, it also offers the lowest loan interest rates to its clients. It also gives some useful information like the documents required to apply for the loan and its procedure. On the other hand, the app is the best platform for the ones who want to earn extra income. All a user needs to do is generate lead and submit it to make some extra money. With eligibility calculator as its latest feature, Apna Rupee is truly doing wonders in the loan sector.

It also has its own app where a user can earn money online anywhere and anytime. The app is one of its kind helping users earn extra income for themselves. With having the presence of his company in different cities of India like Mumbai, Pune, Nashik, Ahmedabad, Bangalore, Surat, Udaipur, Goa, Hyderabad and Indore; he has made a niche for S.P Enterprises in the market. Besides this, Sachin is also closely in touch with his Sadatara Foundation which has done some incredible social works in Maharashtra as well as other parts of the country. "Simply making money is not my motive. Bringing a change in society with my work is what I believe in," he stated. Continuing his phenomenal work, it seems that Sachin Bamgude has something huge on the cards. We wish the young entrepreneur lots of luck for his future prospects.

### SP Finance Academy inauguration by the hands of famous actor Sivapal Joshi

The growing financial academy reflects the vision and ideas of the founder for creating 'future' leaders. As days pass by, we learn about many success stories in the entrepreneurial world. Ever wondered what are those things that have led individuals towards this staggering success in their career? Well, passion, coupled with the right mentor, positive mindset and commitment are some of the qualities that help individuals lead their respective industries from the front. One such shining example of the same is Sachin Bamgude, who has attained a prominent position in the entrepreneurial world with his one of a kind financial academy, which is aimed at creating entrepreneurs for the future. Sachin Bamgude is the chairperson of one of the most prominent financial firms called S.P. Enterprises, which is based in Pune, Maharashtra. He is the founder of SP Finance Academy, which is seen as India's first financial academy that has been rising high in the industry with its commitment to creating endless opportunities for entrepreneurs.

What's interesting about SP Finance Academy is the fact that it has now roped top new franchises across Pune in just one day by the hands of famous actor Sivapal Joshi. This is a feat that has probably not achieved before by any other academy, making SP Finance Academy even more unique in the industry.
